

Model: KBP Series 7W~18W Direct Wall Mount Single output AC/DC ADAPTOR

Features

- **Universal input 100 to 240VAC**
- **Meets FCC/CISPR/VCCI class B EMI**
- **ROHS and Green Power Available**
- **High efficiency**
- **Compact size: L80*W34*H60 mm(EUR)**
- **OVP, OPP auto recovery**
- **Class II**

Specifications

➤	INPUT	
	Voltage range	100-240V
	Frequency	47-63Hz
	Inrush current	25A@115VAC full load, cold start 50A@230VAC full load, cold start
	Fusing	On board
➤	OUTPUT	
	No load power consumption	<0.5W
	Line regulation	±1% all outputs
	Load regulation	5%
	Ripple and noise	2% max all outputs
	Hold-up time	10mS
	Over voltage protection	Main rate 30%
	Efficiency	60%~70% min.
	(Depend on output Voltage)
